

PRIME RIVER FRONT COMMERCIAL DEVELOPMENT ALONG THE PHILIP GOLDSON HIGHWAY

Belize District, Belize

This master planned commercial development is conveniently located just about 4.7 miles Philip Goldson Highway before the Haulover Bridge. The property sits on approximately 16 acres, which can be leased entirely or as individual business ventures. This prime location offers a unique branding opportunity for tenants. Just 10 minutes from the Philip Goldson International Airport and 10 minutes to downtown Belize.

The property is currently under construction; however, it consists of...
