SEAVIEW LOT| BELIZE REAL ESTATE

Located in the heart to Seine Bight Village is this beautiful seaview lot.

Measuring approximately 90 feet deep and 60 feet wide, this lot is less than 200 feet from the Caribbean Sea. Being in the center of the village, the possibilities of developing this lot are endless! The lot is solid and will not require any filling.

The structurally sound concrete house on the property measures approximately 425 sq. ft. and boasts two bedrooms...
