

SUNSET ISLAND

Belize District, Belize

For anyone dreaming of a secluded getaway in a tropical setting then what better way to do it than by owning your own private island! In Belize it's possible and Sunset Island is only 1 mile west of San Pedro Town so groceries and shopping are just a five minute boat ride away. The island is a full ¼ acre in size meaning that there is plenty of space to build your future home and the lush vegetation supports a wide array of bird life so nature lovers will be in paradise. Fly and flats...
