

PRIME BEACH LOT IN TRES COCOS - 140 FEET BEACH FRONTAGE

Belize District, Belize

This prime beach lot in the Tres Cocos area is an attractive development parcel! The property is conveniently located 1/4 mile North of the San Pedro River bridge. This parcel features access to the main road as well as direct access to the Caribbean Sea. The beachfront measures 140 feet wide with a sturdy concrete seawall to protect the property from erosion and accumulation of sargasso seaweed. This parcel also offers a depth of 150 feet and excellent visibility for a business venture....
