

25 ACERS PRIVATE ISLAND

Belize District, Belize

Located at a new developing area on the island and also quoted as “one of the easiest places to build” by Mr. Dennis Alfredo. This lovely 25-acre island boasts its beautiful undisturbed shores. At a purchase price of \$1,890,000.00, the island has many potential spots to develop; with highland to the east and west shores to the low spots on the center.

Cayo Rosario sold for \$100,000 per acre, this island is a fraction of that price. Also, we have 48 acres available located 5 minutes...
