

OCEAN VIEW COASTAL ROAD—PRICE REDUCTION

Stann Creek District, Belize

Price reduced drastically for the first lot sold! Developer wants money to finish his resort and has told us to sell his first back lot at just \$55,000!

Lot 1B of this brand new subdivision sits on high natural beach and has stunning views of the Caribbean Sea. This quarter acre lot is 100 feet by 115 and has access to the the sea through easements.

This is a chance to buy in to a new planned subdivision on the Caribbean Sea, next to an existing resort, with another resort...
