

ZOLD SOUTHERN HIGHWAY 100 ACRES WITH 50 PLANTED IN ORANGES

Stann Creek District, Belize

Here is a once in a lifetime chance to own a 50 acre parcel of producing oranges, PLUS a 50 acre parcel semi cleared, but not planted that fronts the Southern Highway just 5 minutes to the Hopkins turnoff!

The road frontage is an excellent opportunity to subdivide into smaller tracts and could easily get \$40-50,000 USD per 5 acre tract, while keeping the back 50 acres producing citrus for the citrus co op and produce income from that parcel!

Power is along the Southern Highway...
