

HOME IN PHASE 2 SITTEE POINT, HOPKINS

Stann Creek District, Belize

Sittee Point Estates has long been the standard for a US style subdivision with excellent power, water and high speed internet in place just a mile south of the charming village of Hopkins, Belize and resale of homes is rare.

Tropicool Realty is proud to bring this Sea view hardwood home in the prestigious Phase 2 of Sittee Point subdivision to the market at an affordable price and the owner says bring all offers and she will even partially finance to the right qualified buyer!...
