

ULTIMATE BEACHFRONT HOME WITH 2 SEPARATE RENTALS

Stann Creek District, Belize

When we say location, location, location, this is the type of property we are talking about!

Here is a rare opportunity to live on the beach in the center of the thriving Hopkins Village tourist market, and earn passive income from 2 separate rental units all on one centrally located property on the Caribbean Sea! The Rental units are currently going through the licensing process for the Belize Tourism Industry and will be ready to create passive income as long term or short term...
