

DEEP SOUTH FARMS - RESIDENTIAL FARM COMMUNITY DEVELOPMENT OPPORTUNITY IN BELIZE

Stann Creek District, Belize

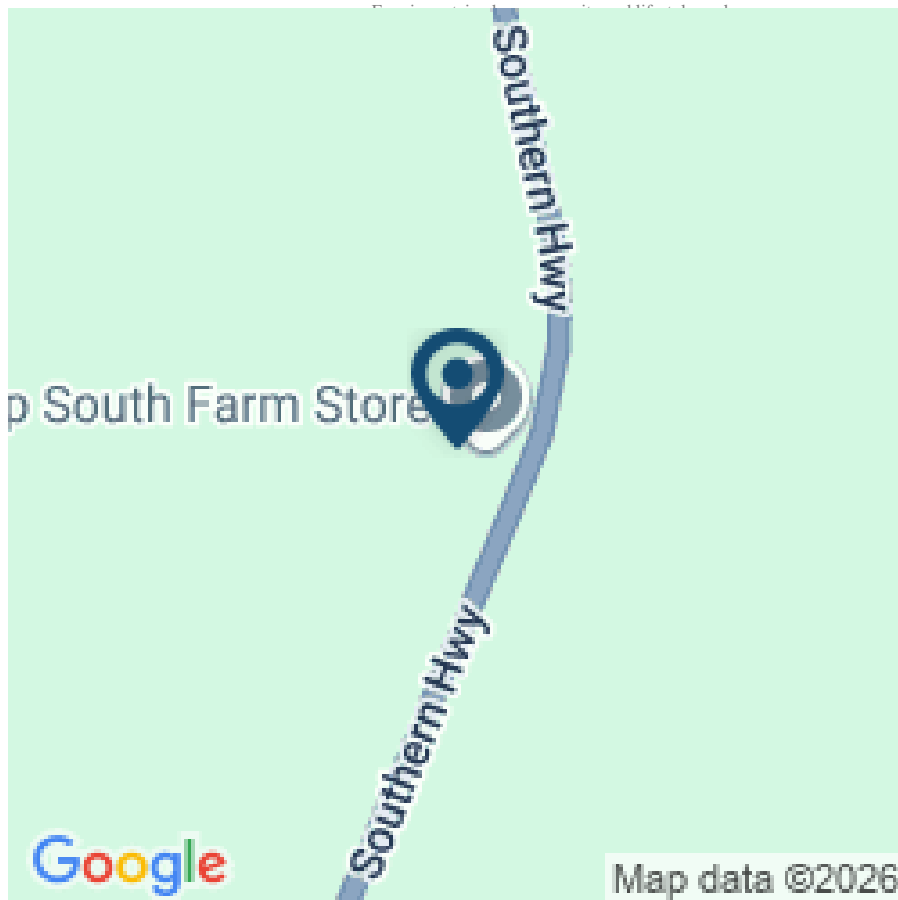

Deep South Farms is a well-established and highly regarded agricultural property in southern Belize that is now transitioning into its next chapter: the creation of a residential farm community built around an existing, mature farming operation. The farm has operated successfully for years and enjoys strong local recognition, providing a credible and authentic foundation for a residential lifestyle offering that is being thoughtfully layered onto the land.

The opportunity is not the...
